TO WHOM IT MAY CONCERN

This is to confirm that I have conducted a thorough overhaul of my mentalism performance to ensure that I am fully compliant with all recommendations on social distancing and other anti-viral practices.

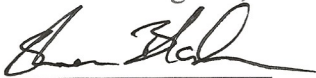

For all performances at weddings and corporate events, I have ensured that:

- My act does not require any close-up contact with guests.
- I do not exchange any props or items with guests, e.g. playing cards, photography, mobile phones etc.
- I do not require any guests to physically interact with each other as part of my act.

In addition, I self-sanitise on arrival at the venue, and at no more than thirty-minute intervals during my stay there.

If any specific additional protection measures have been put in place by the venue, I am happy to comply – or exceed – them, in the interests of health and safety.

With best regards,

Shane Black.
